PLEASE NOTE: If any contact information has changed, please inform this office. The Health Officer term is for three (3) years. If your Health Officer changes, please notify this office. The term of a Deputy Health Officer will now run concurrently with each newly appointed Health Officer for three (3) years (or less, depending on the expiration date of the Health Officer at the time the Deputy is appointed). If a Health Officer is replaced before their term expires, the new Health Officer will have to appoint his Deputy, and their term will match the term of the new Health Officer. Please feel free to contact Janice at the following email address if you have any questions. For edits/corrections email: jsouthwick@dhhs.state.nh.us. FYI, please note that the address and phone number listed above is where you want the public to be able to contact their Health Officer. Note: an asterisk means there's been a change in the information listed for that Town since the last list was issued. For example, it could be the Health Officer's name, contact address, or phone number.
